

I WANNA BRING YOU JOY

We need to talk about me without you here,
how I look back at us without ending up in tears.
When everything we lost hits and I can't breathe,
I think I'll close my eyes and picture you and me
in our first conversation in heaven.

If I don't make a change, I'll meet you in the clouds
and this emptiness will be all I talk about.

You would understand, but I - I'd be ashamed
if you brought your smile and I brought my pain
to our first conversation in heaven.

I, I WANNA BRING YOU JOY.

I, I WANNA BRING YOU JOY.

**I DON'T CARE HOW TOUGH IT IS, I AM GONNA LIVE
'CAUSE I WANNA BRING YOU JOY.**

I know you'll hold me in a hug and say I made you proud,
but you know what I missed the most?

The way we laughed out loud.

And I want that for us, so I have to heal my heart
and bring so much to share I don't know where to start
in our first conversation in heaven.

I, I WANNA BRING YOU JOY...
